Today's Topic

One Year of Reiwa

Thursday , April 2

Yesterday's story about New York-style sushi was an April Fool's joke. New

Yorkers do eat cream cheese and salmon on bagels, but they don't call it

Unit ()-()

sushi! Yesterday was also special because the name of the era changed from

Heisei to Reiwa one year ago. People were looking forward to many things.

We had the longest Golden Week ever, and many people were going to

2年 Unit ()-()

have 10-day vacations and travel to other countries. Sports fans were

particularly happy. The Rugby World Cup was going to be held in the

autumn, and the Summer Olympics were going to be in Tokyo the following

次の年

year.

Q What part is wrong? Underline the part.

- 1 Read silently for a minute.
- 2 Count how many seconds it takes to read.
- 3 Read the question and underline the answer.
- 4 If you answered correctly, use the formula to calculate your WPM.
If you answered incorrectly, just breathe.

語数	WPM
