## Companies Are Trying to Help

Monday , April 6

The coronavirus is spreading quickly around the world. More and more  
広がる ますます多くの

people are getting sick every day, especially in Europe and North America.  
2年 Unit ( )-( ) 特に

The numbers are going up here in Japan, too. How can we stay safe?  
安全に

Doctors say that we should stay away from other people. Some companies  
are trying to help. They are changing their logos to show that we need  
2年 Unit ( )-( )

to practice social distancing. McDonald's has moved the two arches in its  
2年 Unit ( )-( ) 社会的距離

logo apart, and it no longer looks like an "M." The German car company  
離して もはや～でない

Audi has moved the four rings in its logo apart for the same reason.  
現在完了形 Unit2-1 理由

Q Draw the original and "social distancing" type of logos of Mcdonald's.

- |   |     |     |
|---|-----|-----|
| 1 Read silently for a minute.   | 語数  | WPM |
| 2 Count how many seconds it takes to read.  | 103 |     |
| 3 Read the question and underline the answer.   |     |     |
| 4 If you answered correctly, use the formula to calculate your WPM.<br>If you answered incorrectly, just breathe. |     |     |
